

**Teresa Rodriguez & Luis Oscar Muniz**  
**O.M. Collective Cuisine Catering, LLC**

Teresa and her husband Luis, known in the kitchen as Chef Oscar, have worked in restaurants and catering for over 20 years. Chef Oscar has been successful in restaurants from Puerto Rico to New York, but the couple decided to move closer to family in 2013.

Recently, Teresa and Luis were looking to expand their business into a full time restaurant. They knew they couldn't fund it themselves, so after researching their lending options online they decided to apply to LiftFund.

**They were approved for a \$15,000 loan and were able to open their restaurant, which includes dine-in, take out, and catering services.**

## LiftFund Georgia

LiftFund is different from other lenders; we are a non-profit community lender who is known to help entrepreneurs of color and diverse small business owners. We provide free consultations and affordable capital to small business owners. We partner community organizations and banks who are committed to building a stronger small business economy that is inclusive.

**Call us today! We are ready to help you grow your business.**
